Phil/Matt/Mita – Can any of you confirm that the attached “Proposed Path on FL ESA” is the final that was shared with Matt Leopold? Jeaneanne is wanting a clean copy of the final document that OGC developed. Thanks. Tom

This was the latest I had. I do not think it has changed. The first document is the MOA language.

OWOW and R4,

Attached are the draft documents proposing a path forward on the ESA issue that has arisen in the context of Florida trying to assume the CWA 404 program.

These have not yet been reviewed by our Front Office, so they may undergo changes. Please do not share them outside of the Agency at this stage.

Please contact me, Alexis Wade, or Dawn Messier with any questions. Many thanks to Alexis and Dawn for their hard work on this issue.
